To

All the Principals of Govt. Colleges &  
Govt. Sr. Sec. Schools in Himachal Pradesh.

Subject:

Enrolment of students.

Memo:

As you are well aware the Govt. of Himachal Pradesh is making earnest efforts to improve the quality of Education and has opened large number of Schools and Colleges to ensure that children from all villages have access to education. However it has been seen that transition of students from 12<sup>th</sup> to higher education is not hundred percent.

Therefore, it has been decided during the Departmental review meeting held under the chairmanship of Hon'ble Chief Minister on 26<sup>th</sup> August, 2010 that all out going students of 10+2 classes should be motivated/ encouraged to pursue higher education. All the Principals of Colleges and Sr. Sec. Schools may ensure that special campaign will be organized for increasing maximum transition of students to higher Education so that this state could become a "**Knowledge State**".

This may be given top priority please.
