To

All the Principals/Headmasters of Govt.
Sr. Sec. /High Schools in Himachal Pradesh.

Sub :- Enrolment of Students.

Memo:-

You are well aware that Government of Himachal Pradesh has opened large number of educational institutes in the state, to ensure that children from all villages have access to education. However, it has been observed that transition of students from class 8th to 9th and from class 10th to 11th is not hundred percent.

Therefore, it has been decided that during the month of April 2011, a special campaign should be launched in all the middle, high and Sr. Sec. schools to ensure that there is a hundred percent transition in the above mentioned classes. For this purpose, Incharges/Headmasters of middle and high schools as well as Principals of Sr. Sec. Schools (for middle and High unit of schools) should hold meeting with the parents of such students, who have not yet taken admission in class 9th or in class 11th respectively and should persuade them to get admission. The concerned Heads will send their report in the 1st week of May, about the total number of such students enrolled due to this campaign.

This may be given top priority please.
